

J-TECH MARINE CABLES

Commercial Offer To: James Calder, Seaway7 SCM **Ref:** ITT-MER-SCM-2101 **Date:** July 30, 2026

1.0 Introduction & Instructions to Tenderers J-Tech is pleased to submit this highly competitive offer for the supply of 5,000 metres of 66kV Subsea Array Cable.

2.0 Technical Scope of Supply Fully Compliant. Our solution utilizes an Aluminium water-blocked conductor, XLPE insulation, and a 48-core Single Mode fibre optic cable. The dynamic bending radius is exactly 3.5 metres.

3.0 Quality Assurance & HSEQ Requirements Fully Compliant. J-Tech will provide EN 10204 Type 3.1 material certificates and agrees to the 30-day ITP submission requirement for all Factory Acceptance Testing. All welding NDT is conducted per DNV-CG-0051.

4.0 Commercial & Maritime Legal Terms ⚠️ *DEVIATION NOTED* J-Tech accepts the fixed pricing and 60-day payment terms. We accept the Knock-for-Knock liability terms. **Deviation to S7-SCM-TC-2026-v1.0, Clause 6.2 (Warranty):** To offer our most aggressive pricing, J-Tech limits its warranty liability to a maximum of **eighteen (18) months from the date of delivery**. We reject the requested 24-month post-installation / 36-month post-delivery terms.
