

VIKING ARRAY SOLUTIONS

Tender Returnable Document To: Seaway7 **Ref:** ITT-MER-SCM-2101 **Date:** August 1, 2026

1.0 Introduction & Instructions to Tenderers Viking Array Solutions submits this compliant tender response prior to the August 3, 2026 submission deadline.

2.0 Technical Scope of Supply We confirm full adherence to TS-CBL-66KV-001. The supplied cable will meet the 36/66 kV rated voltage requirement, incorporate galvanised steel single wire armour with bitumen, and maintain a 25-year design life.

3.0 Quality Assurance & HSEQ Requirements Viking complies with QA-MAN-2026-EPCI. We will submit the ITP 30 days prior to manufacturing and provide full material traceability for all primary components. Viking maintains ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 certifications.

4.0 Commercial & Maritime Legal Terms Viking accepts S7-SCM-TC-2026-v1.0 in its entirety with zero deviations. We agree to the Knock-for-Knock liability matrix and confirm the 24-month post-installation / 36-month post-delivery warranty.

5.0 Pricing Schedule & Returnables

Viking has absorbed the cost of the Technical Document Package into the base cable price to simplify project accounting.
