PART II

1. PERIOD AND PORT OF DELIVERY

1.1 The Owners let and the Charterers hire the Vessel for the period stated in Box 7, from the time the Vessel is delivered to the Charterers at the port or place stated in Box 8.

1.2 The Vessel shall be delivered to the Charterers ready in all respects to perform the offshore services outlined, including the installation of monopiles and subsea structures.

2. OWNERS' OBLIGATIONS

2.1 The Owners shall ensure that during the Charter Period the Vessel is maintained in a thoroughly efficient state in hull and machinery, and is fully equipped and supplied to meet the demands of offshore wind farm construction operations.

2.2 The Owners warrant that the Vessel complies with all applicable international maritime conventions, including SOLAS and MARPOL, and holds a valid classification certificate.

3. HIRE AND PAYMENT

3.1 The Charterers shall pay hire for the Vessel at the rate stated in Box 9 per day or pro rata for any part of a day, from the time of delivery until redelivery.

3.2 Payment of hire shall be made in advance, every 30 days. In default of payment, the Owners may withdraw the Vessel from the service of the Charterers.

4. LIABILITIES AND INDEMNITIES (KNOCK-FOR-KNOCK)

4.1 Charterers' Group: The Charterers shall be responsible for and shall save, indemnify, defend and hold harmless the Owners from and against all claims, losses, damages, costs and expenses arising out of injury to or death of any person belonging to the Charterers' Group, and damage to or loss of property of the Charterers' Group, howsoever caused, even if caused by the negligence or fault of the Owners.

4.2 Owners' Group: The Owners shall be responsible for and shall save, indemnify, defend and hold harmless the Charterers from and against all claims, losses, damages, costs and expenses arising out of injury to or death of any person belonging to the Owners' Group, and damage to or loss of property of the Owners' Group, howsoever caused, even if caused by the negligence or fault of the Charterers.

5. OFFSHORE WIND SPECIFIC OPERATIONS

5.1 The Vessel is expressly chartered for EPCI (Engineering, Procurement, Construction, and Installation) operations at the designated offshore wind farm site. The Charterers are authorized to utilize the vessel's heavy lifting cranes for the deployment of turbine foundations and cable lay support equipment.

6. LAW AND ARBITRATION

6.1 This Charter Party shall be governed by and construed in accordance with English Law and any dispute arising out of or in connection with this Charter Party shall be referred to arbitration in London in accordance with the Arbitration Act 1996 or any statutory modification or re-enactment thereof.
